DECLARATION – RoHS2 Directive

Dear Sirs,

With regard to Directive 2011/65/UE on the restrictions of use of certain hazardous substances in electrical and electronic equipment (RoHS2) and it being a revision of Directive 2002/95/CE, Cembre S.p.A. located at Via Serenissima n. 9, Brescia legally represented by Mr Aldo Bottini declares that:

- Cembre SpA products listed in Annexe 1, covered by the existing declaration will continue to comply with requirements foreseen in all applicable directives.
- Components supplied by Cembre SpA will be guaranteed to maintain the RoHS compliance of the finished products in which they are to be incorporated.

On the basis of the previous declaration, *Cembre S.p.A.* maintains the activity required to ensure continuity of the supply chain, including: updating of information regarding the evolution of the RoHS Directive; evaluation of alternative suppliers with the aim to guarantee continuity of supply; research and development of processes and alternative substances with the aim to guarantee the quality and performance of the finished products.

Table 1

Maximum permitted concentrations per weight of homogeneous materials for restricted substances
